Please note that most of the contents on the GCC Club are exclusive to GCC product owners. If you own a GCC machine and its serial number starts "H" to "L", we encourage you to register your product to receive an additional 3-month limited warranty extension. Other Benefits include: product applications, tips and parameters, technical support and trouble shooting tips, driver and software updates, user manual document.

2. Go to GCC Club, click "GreatCut-S voucher code" on the left side.

The screenshot shows the GCC Club website interface. On the left sidebar, the 'GreatCut-S Voucher Code' option is highlighted with a red box. The main content area displays a welcome message and a list of benefits for registering a product, including a 3-month warranty extension, latest drivers/firmwares, product applications/tips, and technical support. Below this, there are sections for 'GCC Products' featuring 'LaserPro Engraver', 'LaserPro Marking System', and 'Cutting Plotter'.

3. Enter your voucher code and click "submit".

The screenshot shows the 'GreatCut-S Serial Number' form on the GCC Club website. The form includes a 'GreatCut-S Serial Number List' section, a 'Obtain Your GreatCut-S Serial Number' section with a 'Voucher Code' field containing '2KUK4LCZQGV71EBKVP8', and a CAPTCHA challenge asking the user to calculate '2 + 1 = 3'. A 'Submit' button is located at the bottom of the form.

4. You will get your GreatCut-S serial number.

The screenshot shows the GCC CLUB website interface. On the left is a navigation menu with links: Tech Support, Drivers, User Manual, Clipart Download, Product Video, Showcase, Product Registration, GreatCut Voucher Code, GreatCut-S Voucher Code, and GCC Bonus Credit (North America). The main content area is titled 'GreatCut-S Product Key'. It contains a table with the following information:

- Enter your name in the Name column and GreatCut-S serial number to the Serial column and press "OK" to complete the activation.

- GreatCut-S is ready to use.

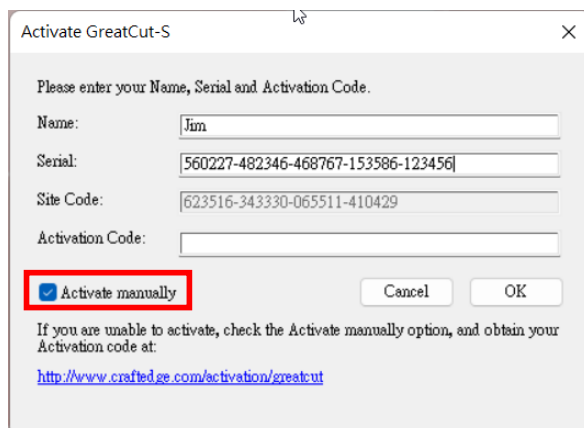

Note

- ✓ If you use a trial version to output graphics, meaning you do not enter the software key to activate the Sure Cuts A Lot mentioned above, there will be two extra lines cut through the design, therefore, make sure the Sure Cuts A Lot software is activated before implementing cutting jobs.

2.9.2 Manually Activate GreatCut-S

If the computer connected to the cutter doesn't have an internet connection to complete the software activation process, you can alternatively use the "Activate manually" function to enter the "Activation Code" and begin using GreatCut-S. However, you will need to find another computer with internet access in advance to obtain the "Activation Code" by following the instructions below.

- Check the "Activate manually" checkbox and you should see the Site Code and Activation Code fields appear. The Site Code field will be pre-filled in and cannot be changed.

2. Visit <https://craftedge.com/activation/greatcut/> via an internet connected computer. Enter your name, serial and site code.

Activate "GreatCut-S"

Important: You only need to do the following if you are having trouble activating from within "GreatCut-S" or do not have an Internet connection on the computer you are trying to activate on.

You must activate in order to use the full version of the software. Generally, you will just need to choose Activate.. from the Help menu in GreatCut-S and enter your name and serial number. The software will try to activate automatically and you can disregard this web page. **Do not** use this web page if you have not installed the software yet or have not purchased.

If you view the About box in GreatCut-S and it shows your name and serial number, the software is activated ok.

If you have problems activating automatically, you must use this web page and generate a Manual Activation Code. The Name and Activation Code information is obtained from your purchase confirmation e-mail. The Site Code is obtained by running the program and choosing "Activate.." and checking the "Activate Manually" option.

After entering in your Name, Activation Code, and the Site Code, click the Generate Activation Code button to create your Manual Activation Code. Copy and paste the value back into the "Activation" dialog box in the application to activate your copy.

3. Click on the "Generate Activation Code" button, and your activation code will be shown in the Activation Code field.

2.9.3 Re-install GreatCut-S Software

If you change a new computer, you may need to deactivate your GreatCut-S software and re-install it on your new device.

Go to “Deactivate...” under Help and press Yes to confirm, then follow the installation procedure and use **the same code** to activate it on another computer.

2.9.4 Reset GreatCut-S Serial Code

If you need to re-install the software again due to problems such as a computer crash/reformat where you were not able to de-activate your copy off the computer first, you may visit <https://craftedge.com/activation/deactivateGC.php> to reset your serial number

Deactivate "GreatCut-S"

This page can be used to reset your serial number if you need to re-install the software again due to problems such as a computer crash/reformat where you were not able to de-activate your copy off the computer first.

If you still have an activated copy installed and you wish to deactivate to install on a different computer, you can choose Deactivate under the Help menu in GreatCut-S instead of using this webpage. The deactivation option in GreatCut-S requires an Internet connection.

Important: You will only be able to use this page on a limited basis to reset your serial number. If you need your serial reset again after using this page, you will need to contact GCC Support for help.
